8. What is the **best way to ensure the security of MY vote?**

1) Best - Take your ballot directly to the Registrar's office in Marin Civic Center – Room 121. If you receive more than one ballot, confirm with the registrar which one is legitimate and destroy the other(s). Don't forget to keep the identification strip from your ballot so you can track it.

2) Deposit your ballot in secured mailboxes outside Civic Center

3) Take your ballot to your polling location. **How do I find my polling location?**

Go to: <https://www.marincounty.org/depts/rv/voting-information/elections-dashboard>

4) If you are unable to deliver the ballot personally, contact [tief@sbcglobal.net](mailto:tief@sbcglobal.net) to arrange for ballot pick-up and delivery by reliable Republicans.

5) Take your ballot to the post office. You can put a stamp on it (even though it is postage paid) so it goes through regular rather than bulk mail.
